About: Gabriel Ayala

A member of the Yaqui people of southern Arizona, Gabriel Ayala is at the forefront of a new generation of Native Americans making a career performing classical music. He began playing the guitar as a child. He earned a Master's Degree in Music Performance from the University of Arizona in 1997, has taught at all educational levels from elementary through college, and serves as a competition adjudicator. Although Gabriel truly enjoys being a teacher his busy touring schedule allows him to only teach in masterclass settings.
